Subject: New Office in Libya announcement

Dear Sir/Madam,

It is our pleasure to announce that Synergy Construct SRL has established a new office in Libya starting with 01.06.2010. The Office is located at the Gurju Street, Siyahiye, Tripoli.

The main objective of this new establishment is to expand our activities to Libya, which is currently one of the most active and promising construction market in the world. This will also enable us to carry our 10 years of experience and services to North Africa and the neighboring geography.

Mr. Umut Guney, who successfully led MEP Construct International as the General Manager (which is a group company of SYNERGY), is assigned as Libya Country Manager.

With this expansion SYNERGY group takes one another step forward for being an "Internationally Recognized General Contractor".

Our Libya Office Contact Information is:
