To Whom It May Concern:

This letter is to certify that the construction company Synergy Construct S.R.L. successfully completed their works for our Headquarter Office in Romania located in Iride Industrial Park with in 4 months execution time (as contracted), covering total surface of 4,000sqm.

Synergy Construct S.R.L., as our chosen contractor, has executed with professionalism all the interior arrangements, providing high quality finishing and specialized implementation of low current system, access control, a part of electrical, sanitary and plumbing systems.

Within its contractual obligation Synergy Construct has provided and implemented for us also a part of high class office furniture as well as other accessories. Their logistic department has provided from the local and foreign markets, modern equipments and materials at superior quality standards and very competitive prices.

We, Procter& Gamble Romania as the Beneficiary, would like to state that Synergy's managing partners as well as their employees has worked with enthusiasm and dedication and had a good co-ordination with our Designers as well as our Management. Their performance and strong know-how on high quality office spaces, their constructive and helpful approach during the project allows us to recommend them with confidence, as General Contractor.
