

Eagle Development Estate SRL

Nr. 205 / 04.02.2020

To: Synergy Construct SRL

In attention of: to whom it may concern

Ref: Estic Park I Residential

This letter is to certify that Synergy Construct SRL successfully completed the works for residential units located in Sos. Dobroesti, nr.55-65, Sector 2, Bucuresti.

The project consists of collective housing block S + P + 10E + 11R, water supply and internal networks for fire, access alleys, parking, with the footprint of 820.78 sqm and gross built area of 11,124.12sqm. There are 125 apartments delivered "turn-key" with medium finishes.

Synergy Construct finalized the complete range of general contracting services within the time frame and at the quality standards required by the project. The company acted in good cooperation with our project manager and proved flexibility and effectiveness in dealing with unexpected developments.

We, Eagle Development Estate, as Client, recommend Synergy Construct as a reliable partner for general construction works and confirm that our collaboration was successful.

Best regards,

Eagle Development Estate
